#### **Lesson 1: A Prayer to God**

Moral Sapling: Start your day with a prayer to God.

### **Answer the following questions:**

### 1. Why is the child thanking God?

**A.1** The child is thanking God for the beautiful previous day, the safe night and for the bright morning.

### 2. What is the child seeking in his/her prayer to God?

**A.2** The child is urging God to give him mindful strength so that he can help others.

### 3. Why should we pray to God daily?

A.3 We should pray to God daily to thank Him for giving us all the wonderful reasons to

live.

### **Lesson 2: Good Behaviour**

Moral Sapling: Good behaviour makes you loved by all.

### **Answer the following questions:**

### 1. Do you want to be loved by all?

**A.1** Yes, we all want to be loved by everyone.

### 2. How should you talk to others?

**A.2** We should talk to our teachers, friends, elders and servants politely. Our soft voice should please everyone.

### 3. Do you wish your elders?

**A.3** Yes, we should wish our elders, parents and servants 'Good Morning' or 'Good Evening'.

#### 4. Is it good to make noise in the class?

**A.4** No, we should not make noise in the class. We should sit quietly and listen attentively when the teacher is explaining a lesson.

### **Lesson 3: Table Manners**

<u>Moral Sapling</u>: Observing table manners is not only good for health but also necessary to make a good impression on others.

### **Answer the following questions:**

### 1. Why should you follow table manners?

**A.1** We should follow table manners because it is good for our health and it also make a good impression on others.

### 2. When should you wash your hands?

**A.2** We should wash our hands before and after having our meal. We should also wash our hands after coming back home from outside.

### 3. Should you have your meals while lying in bed?

**A.3** No, we should not have our meals while lying in bed. We should sit straight on the dining table while having our meal because correct posture helps in proper digestion and we can eat more.

### 4. How can you avoid wasting food?

**A.4** We can avoid wasting food by taking a small quantity in our plate for the first time or by taking the required quantity only.
